Ad Guidelines

To ensure excellent quality printing, please note the mandatory specifications below:

Mandatory Ad Specs and Preparation

Files should be PDF, TIFF or JPG formatted and created in InDesign, Fireworks, Quark Express, Illustrator or Photoshop. If sending a PDF, it must be "print/press ready" PDF with *all fonts embedded. All Files should be 300 DPI. Word, PowerPoint, Publisher and any other file types that are not listed above will NOT be accepted. Ads must be original copy, clear black and white or color print. Our preference to ensure quality is that ads are submitted in digital form to ensure the highest quality reproduction.

Ad Sizes

When submitting your ads, if any pictures bleed, please use the following measurements:

	Full Page	Half page	Quarter Page
Bleed	7.75 x 10.75	7.75 x 5.375	4.4375 x 3.5625
Trim	7.5 x 10.5	7.5 x 5.125	

Trim - The edge of the page, or the final visible borders of a 'bleed' ad.

Bleed — .125" on each side beyond the trim measurement of a 'bleed' ad. (That is, add .25" to the trim measurement.)

Elements that touch the trim edge should extend at least .125" beyond trim on each side.

The Bleed area will be 'trimmed' off in print.

PLEASE NOTE: Ads must be submitted in the preferable format – ready-made form!
